Breeding agreement – **Fresh/frozen semen**

This agreement is made between the EUROPEAN BREEDERS TRUST AG,
Osterhofen 1, D-87480 Weitnau/Germany, hereafter referred to as Stallion Owner

and

Mr/Mrs.....

Address:

phone:fax.....

e-mail.....

VAT-Number:.....

owner or leaser (hereafter referred to as Mare Owner) of the mare:

Name:

Birth:

Colour:

Sire: Dam:

Registry n.

(a copy of the pedigree is required in attachment)

and defines the terms governing the purchasing by the Mare Owner of a breeding
from the sire above identified.

The breeding fee for shareholders is € 1.000,- plus VAT 19%, in return the EBT has first refusal on the resulting foal. The right of the option to buy ends with the horse's third birthday. At the time of a possible sale during this period, the breeder shall inform the owner of the stallion. He then has 2 weeks time to accept the sales proposal.

The breeding fee for Non-shareholders is € 3.000,- plus VAT 19%. If the mare owner is a company or has a VAT number it has to be indicated in the contract and will be not charged. Shareholders have to pay the breeding only after a confirmed pregnancy. Non shareholders have to pay 50% upon signature of the contract and 50% after confirmed pregnancy. The cost of semen collections or production, handling and shipment will be invoiced separately as below indicated:

Fresh semen

- collection: € 100.00 (Styrofoam-box has not to be returned!)
- transport costs: depending on different carriers, delivery time and country

Stallion Owner agrees to offer the first collection of fresh semen.

Frozen semen

- production: € 100.00 each dose
- handling (flat rate per delivery within Europe): € 100.00
- Health Certificate inside Europe: € 100.00
- transport costs: depending on different carriers, delivery time and country.

Note that within the handling fee is included the rental of the nitrogen tank, which has to be returned (shipment costs on Mare Owner) within seven days. After that period the customer shall pay € 100.00 for each day delayed. Should the tank get lost the customer shall be charged by € 2000.

The Mare Owner acknowledges that breeding and doses are non-transferable and cannot be re-sold, gifted to or exchanged with any other party.

Stallion Manager shall provide semen from Stallion identified in this contract, and makes no other guarantee of the condition of the semen once the Styrofoam-box or equitainer have left the Stallion Manager's farm.

The Mare Owner shall be responsible for semen storage, proper handling and insemination into the mare.

TERMS

Should the breeding not have been used in the year of contract or should the mare fail to conceive, should she abort, die or not produce a “live foal” (live foal shall be defined as a foal that stands and nurses without assistance for a period of at least 72 hours from the time of birth), then the Stallion Owner guarantees that Mare Owner shall have the right to rebreed or substitute the mare (upon the approval of the Stallion Owner) within the current or the immediately following breeding season only, by paying an additional charge of € 1000.00.

In the event that mare does not produce a “live foal”, Mare Owner shall provide Stallion Manager with a veterinarian’s certificate stating the time and date of birth, time and date of death, and cause of death within seven days of aforementioned death.

In the event that mare dies, Mare Owner shall provide Stallion Manager with a veterinarian’s certificate of death.
